Subject: RE: LC 48 Staff Motion to Abate Schedule

Given the limited amount of time before PGE's Reply Comments are due, please accept this email as a formal response to Staff's Motion to Abate Schedule.

PGE supports Staff's request to abate the schedule.

PGE requests that the prehearing conference be scheduled as quickly as possible after the EQC June 17, 2010 meeting and no later than the week of June 28th. PGE requests that the June 23rd public meeting be delayed in order to allow meaningful comment on the pending actions by the EQC and DEQ. In the alternative, if the Commission decides to go forward with the meeting, PGE asks that all further comments in this docket be limited to written comments under the schedule established at the prehearing conference. PGE believes this will enable the process to move forward as quickly as possible once the parties have a better understanding as to how the EQC and DEQ intend to proceed.

Respectfully Submitted
