DOCKET NO. LC 48

| | | |
|-----------------------------------------------------------------------------------|--|----------------------|
| In the Matter of PORTLAND GENERAL ELECTRIC COMPANY 2009 Integrated Resource Plan. | | STATUS UPDATE |
|-----------------------------------------------------------------------------------|--|----------------------|

In response to the ALJ's Ruling issued on January 15, 2010, PGE submits the following update on the status of this docket:

PGE is in the process of meeting with stakeholders to discuss its proposal to cease coal-fired operations at the Boardman Plant by 2020. If it appears that we have adequate support for our proposal, we will request that a technical workshop be held the week of February 8, 2010 (or as soon thereafter as practical) to present our proposal to all intervenors. We would then expect to file an addendum to our IRP by the end of February 2010 (or as soon thereafter as practical). We will discuss a revised IRP schedule with intervenors and will submit a final proposed schedule for the ALJ's consideration the week of February 22, 2010.

DATED this 29th day of January, 2010.
