LC 48 – MOTION TO REVISE PROCEDURAL SCHEDULE – PAGE 1

Defense Center, Friends of the Columbia Gorge and Columbia Riverkeeper asked that the meeting be held in the evening sometime between June 11, 2010 and July 9, 2010, so that the public can express their views on PGE's 2009 IRP, its amendment, and the Intervenor and PGE comments submitted in the docket before Staff submits final comments and a draft proposed order. PGE neither objects nor supports the request for an additional public meeting.

The Sierra Club, Northwest Environmental Defense Center, Friends of the Columbia Gorge and Columbia Riverkeeper also asked that Intervenors be allowed to make a presentation at the May 25 Commission Public Meeting to present the concerns with PGE's 2009 IRP identified in Intervenors' comments. PGE has no objection to this request.

Accordingly, PGE respectfully requests that the ALJ approve the revised schedule and rule on the requests for an additional public meeting and for the opportunity for Intervenors to make a presentation at the May 25 Commission Public Meeting. PGE requests expedited treatment of this Motion.

DATED this 9th day of April, 2010.
