**Re: LC 48**

Dear Judge Pines:

Earlier today PGE submitted a letter informing Commissioners of its decision to pursue an alternative operating plan for the Boardman Plant. Upon further consideration, PGE is recommending that the Commissioners consider a short delay of the January 19th public hearing to allow PGE to present a proposed plan and process for including its preferred alternative operating plan for Boardman in its IRP. We recognize that this request could be made by Motion, but given the time constraints, we ask that this letter be acted on by the hearing officer as soon as practicable.

PGE is providing all parties on the service list with an electronic copy of this letter today and will mail hard copies as soon as possible tomorrow.

Sincerely,

V.DENISE SAUNDERS
