OF OREGON**

LC 48

PORTLAND GENERAL ELECTRIC  
COMPANY

2009 Integrated Resource Plan.

RULING

**DISPOSITION: PETITIONS TO INTERVENE CONDITIONALLY GRANTED**

Since my ruling of May 7, 2010, a number of organizations have filed petitions to intervene in this docket. I have reviewed the following parties' petitions for intervention and find that each has sufficient interest in this docket and their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. *See* OAR 860-012-0001. In addition, the Commission has received no objections to these petitions. Therefore, the following petitions to intervene are granted:

Columbia Corridor Association  
Associated Oregon Industries (AOI)  
Westside Economic Alliance  
Portland Business Alliance  
Association of Oregon Counties (AOC)  
Wilsonville Chamber of Commerce  
Morrow County

The objection period has not passed for the following organizations' petitions to intervene. I find that these organizations also have sufficient interest in the proceeding and that their appearance and participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. These petitions are conditionally granted:

Oregonians for Food and Shelter  
Oregon Farm Bureau Federation  
Community Action Partnership of Oregon (CAPO)

If no objections are received by the Commission within the period of time for protest, the decision to grant these petitions shall be final.

Dated this 26th day of May, 2010, at Salem, Oregon.
