PGE MOTION TO ADMIT LATE FILING GRANTED

Staff Motion to Modify Procedural Schedule

On October 5, 2010, Staff of the Public Utility Commission of Oregon (Staff) filed a motion requesting that the procedural schedule in this docket be modified as follows:

Staff recommendations and proposed order due October 15, 2010

PGE and intervenors file reply comments
Intervenors reply to PGE's response to bench request October 29, 2010

Special Public Meeting November 12, 2010

Staff states that no party objected to the schedule modification, and that holding a special public meeting will permit all interested parties to attend. Staff also notes that given the number and volume of comments and filings in this docket, Staff requires additional time to complete and file its recommendations.

Staff's motion is granted. The procedural schedule is modified as noted above. The Commission will issue a special public meeting notice separately.

Portland General Electric Company's Motion to Admit Late Filing

On September 28, 2010, PGE filed a motion to admit late filing of its reply comments. PGE states that while it timely e-filed its reply comments at 12:58 p.m. on September 27, 2010, the comments were not delivered to the Commission's filing center

successfully because of their electronic size. PGE re-sized the filing and refiled it with its motion the next day.

PGE's motion to admit late filing of its reply comments is granted.

Dated this 8th day of October, 2010, at Salem, Oregon.
