2009 Integrated Resource Plan.

MEMORANDUM

The Public Utility Commission of Oregon has scheduled a Public Comment Meeting in this docket for June 23, 2010 from 6:30 p.m. to 8:30 p.m., in the Auditorium of the Portland Building, 1120 SW 5th Ave., Portland, OR. The purpose of this memorandum is to explain the general format for the meeting.

The Commissioners will be in attendance, along with a facilitator to moderate the meeting. Because the purpose of this meeting is to take comments from the public, the Commissioners and Portland General Electric Company (PGE) will not take questions or make presentations.

Members of the public will have the opportunity to offer written or oral comments on PGE's Integrated Resource Plan. At the entrance to the Auditorium, Commission Staff will have sign-in sheets for people to sign up to present oral comments to the Commissioners, leave written comments, or add themselves as interested persons to this docket¹. A court reporter will record all oral comments. All comments received at the meeting will become part of the public comment record in this proceeding.

To help accommodate the large number of people expected to attend, oral comments may be limited to 3-5 minutes. There will be no audio visual equipment to accommodate power point or other presentations. To encourage broad participation, the Commission may offer members of the public who have not yet submitted written or oral comments in this docket the opportunity to comment first. If the Auditorium fills to capacity, people may listen to the proceedings in an "overflow" room across the hall from the Auditorium.

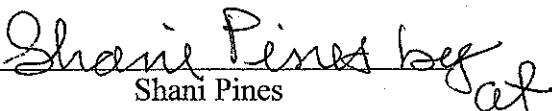

¹ An "Interested Person" receives copies of any documents issued by the Commission in this proceeding, including notices, rulings, and orders.

If you are not able to attend this meeting but would still like to comment for the record, you may submit written comments by mail or e-mail to the Commission at: Public Utility Commission of Oregon, Attn: Administrative Hearings, P.O. Box 2148, Salem, OR 97308-2148.
