RULING

**DISPOSITION: PUBLIC MEETING ANNOUNCED; PETITIONS TO
INTERVENE GRANTED**

Request to Make Presentation at May 25, 2010 Public Meeting

Several intervenors have asked that they be allowed to make a presentation at the May 25, 2010 Public Utility Commission of Oregon's Public Meeting in Salem. As I noted previously, the Commission's public meetings are open to members of the public. Because the May 25, 2010 meeting is a general public meeting, public comments on this docket will be limited to the time remaining after regular agenda items have been addressed.

Request for Portland Public Meeting

The Commission will hold a public meeting in this docket in Portland, Oregon, on June 23, 2010 from 6:30 p.m. to 8:30 p.m. I will issue a memorandum with the location before the meeting. Members of the public will have the opportunity to comment on Portland General Electric Company's 2009 Integrated Resource Plan, subject to time restrictions to ensure broad participation.

Petitions to Intervene

A number of organizations have filed petitions to intervene. I have reviewed the petitions and find that the organizations have sufficient interest in this proceeding, and that their participation will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding.

Petitions to Intervene Granted: For the following organizations, the period for objection has passed, and the petitions are granted:

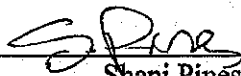

Northwest Food Processors Association
Oregon Forest Industries Council

Petitions Conditionally Granted: For the following organizations, the period for objection has not passed; I conditionally grant these petitions to intervene. The petitions will be finally granted pending the expiration of the protest period. OAR 860-013-0050(1)(c).

Portland Metropolitan Building Owners and Managers Association (BOMA Portland)
Oregon Cattlemen's Association
Willard Rural Association
Power Resources Cooperative
Salem Area Chamber of Commerce
Strategic Economic Development Corporation
