Paragraph 10(e) Statement

John Staurulakis, Inc. is a national consulting firm that provides high-quality financial, management and regulatory services to telecommunications providers. It has been offering these services to clients for over 50 years. JSI works principally with rural local exchange carriers and their associations. It also works with the Puerto Rico Telecommunications Regulatory Board providing economic and policy assistance.

JSI has a national client base, but other than the Oregon Telecommunications Association, and Gervais Telephone Company that uses JSI for entering number ports in NPAC, it has no clients in Oregon. JSI actively seeks to provide services to additional clients who seek its expertise.
