

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1481

In the Matter of

PUBLIC UTILITY COMMISSION OF
OREGONStaff Investigation of the Oregon Universal
Service Fund.

RULING

DISPOSITION: PROCEDURAL SCHEDULE REVISED

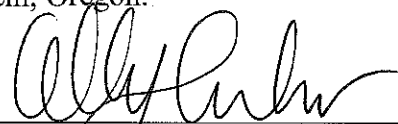

On November 14, 2012, the Oregon Cable Telecommunications Association (OCTA) filed motions to compel the Oregon Telecommunications Association (OTA); Frontier Communications Northwest, Inc.; and CenturyLink, Inc. to produce information on an expedited basis. In conjunction with each motion, OCTA also asked for an extension of time for the submission of the parties' opening testimony.

On November 16, 2012, OCTA filed a letter indicating that it had discussed the pending motions with OTA, CenturyLink, Frontier, the Citizens Utility Board of Oregon, and the Commission Staff and that all indicated that they did not oppose changes to the schedule to provide the Commission with the opportunity to address the pending motions and to permit the parties to continue preparing their testimony.

I find that revising the procedural schedule will not unduly delay the proceedings or burden the record. Accordingly, the following revisions to the schedule are adopted:

Event	Currently Scheduled Date	New Date
Opening Testimony	November 26, 2012	December 10, 2012
Reply Testimony	January 16, 2013	January 30, 2013
Hearing	February 4, 2013	February 20-22, 2013
Responses to Motions to Compel		November 20, 2012
Reply to Responses to Motion to Compel		November 21, 2012

Dated this 19th day of November, 2012, at Salem, Oregon.
