RULING

DISPOSITION: PREHEARING CONFERENCE CANCELED

By letter dated August 18, 2011, Jason Jones, attorney for the Public Utility Commission of Oregon (Commission) Staff, requests that the prehearing conference now scheduled for August 22, 2011, be canceled. In support of his request he states that the settlement negotiations continue, but conflicting schedules have interfered with their ability to reach final settlement. He indicates that the parties will reconvene their discussions on August 22, 2011, and proposes to update the Commission as to the status of the proceeding afterwards.

For good cause shown, the prehearing conference scheduled for August 22, 2011, is canceled. Staff shall report to the Commission regarding the status of these proceedings not later than three days after the next settlement discussions.

Dated this 19th day of August, 2011, at Salem, Oregon.
