

ISSUED: February 14, 2011

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1489

In the Matter of

FISH MILL LODGES WATER SYSTEM

Application for an Order Authorizing
Abandonment of Water Service.

PREHEARING
CONFERENCE
REPORT

DISPOSITION: SCHEDULE ESTABLISHED

On February 9, 2011, the Public Utility Commission of Oregon (Commission) held a prehearing conference in this docket. The purpose of the conference was to identify the parties, establish a docket schedule, and address any issues raised by the parties.

Appearances

Appearances were entered by Commission Staff and Benjamin Kearney, attorney for Fish Mill Lodges Water System (Fish Mill). Representatives from the Oregon Department of Human Services' Drinking Water Program participated in the conference for the limited purpose of updating parties regarding the Drinking Water Program's current proceeding with Fish Mill.

Schedule

At the prehearing conference, the parties proposed, and I adopted, the following docket schedule:

February 24, 2011	Deadline for Petitions to Intervene *
March 9, 2011	Fish Mill Testimony in Support of Application for Abandonment Due
March 16, 2011	First Settlement Conference **
March 29, 2011	Staff / Intervenor Reply Testimony Due
March 31, 2011	Second Settlement Conference **
April 4, 2011	Fish Mill Rebuttal Testimony Due
April 18, 2011	Hearing

The parties agreed to a seven-day turnaround for data requests.

* The Commission's rules permit intervention at any time before close of the record. Because it is helpful if parties are identified early in the proceeding, however, the Commission requests that petitions to intervene be filed by the date identified above.

** I include settlement dates for the convenience of the parties. Parties may move settlement dates without notifying the Commission.

Dated at Salem, Oregon, this 14th day of February, 2011.

Shani M. Pines
Administrative Law Judge
