

ISSUED: August 16, 2011

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1522

In the Matter of

VIRGIN MOBILE USA, L.P.

Petition for Limited Designation as an
Eligible Telecommunications Carrier

RULING

DISPOSITION: REQUEST GRANTED; PARTIES TO FILE REPORT

On August 15, 2011, the Commission Staff filed a Report of the Parties on behalf of Virgin Mobile, Staff, and the Citizens' Utility Board of Oregon. Counsel for Staff stated that the petitioner is in the process of amending its original filing in order to address issues discussed by the parties, but that not all issues have been resolved. The parties request that the Commission not set a schedule for the proceeding yet, but, instead, state that the parties will provide the Commission with a status report no later than September 15, 2011.

I find that the request by the parties is reasonable and it should be granted.

RULING

The schedule shall continue to be suspended. The parties shall file a status report with the Commission no later than September 15, 2011.

Dated this 16th day of August, 2011, at Salem, Oregon.
