Re: Docket No. UM 1522 - Notice Letter

Dear Oregon Public Utility Commission Staff:

Pursuant to Order No. 12015 in Docket Number UM 1522, Assurance Wireless USA, L.P. (“Assurance Wireless”) hereby notifies the Commission of a change to its existing Oregon Lifeline offer.

As the Commission is aware, the Federal Communications Commission’s (“FCC”) rules specify minimum service standards (“MSS”) for Lifeline service (47 C.F.R. Section 54.408). On November 16, 2020, the FCC issued an Order setting the broadband MSS at 4.5 GB per month effective Dec. 1, 2020,¹ representing a reduction from the 11.75 GB MSS previously announced by the FCC.² Consistent with the FCC’s November 16th Order, Assurance Wireless has modified its broadband Lifeline offer to include 4.5 GB of data per month for all new and existing customers. Starting on January 15, 2021, all broadband customers will receive 4.5 GB of data, unlimited texts and 1400 voice minutes per month.³

Assurance Wireless is pleased to provide this offer to Oregon consumers. Please contact me if you have any questions regarding this matter.

Respectfully Submitted,

A handwritten signature in black ink that reads "Teri Ohta".
