Re: RE 42—Annualized Billing Cycle Exception

PacifiCorp d/b/a Pacific Power (PacifiCorp or the Company) provides notice to the Public Utility Commission of Oregon (Commission) that subject to OAR 860-039-0055(2) the Company and the net metering customer addressed in the attached letter have agreed to a new 12-month annualized billing period. OAR 860-039-0055(2) requires that the annual billing cycle for net metering customers end at the end of the March billing month each year, unless the utility and net metering customer agree to a different annual billing cycle. This section also requires the utility to notify the Commission within 30 days of a utility and a net metering customer reaching an agreement for a different annualized billing cycle.

On November 5, 2018, PacifiCorp submitted for filing in this docket confirmation that it had reached an agreement with the net metering customer to move the 12-month annualized billing period from the end the March billing month to the end of October billing month each year. PacifiCorp and the customer reached an agreement for a new annualized billing cycle on March 1, 2022. The new annualized billing cycle for this customer will end with the March billing period of each year.

Confidential information is provided subject to OAR 860-001-0070.

Please direct any questions regarding this notification to Jennifer Angell, Regulatory Project Manager, at (503) 331-4414.

Sincerely,

Shelley McCoy

Dear [REDACTED]

Pacific Power received your request for an alternative 12 month annualized billing period for your net metering facility. Instead of your annualized billing cycle ending October 31 of each year, your alternative annualized billing cycle will end at the end of each March billing month each year.

This mutual agreement to reset your annualized billing period modifies any existing agreement in reference to the annualize billing period. All other provisions remain in full effect.

Your signature on this letter will confirm your agreement for the alternative annualized billing cycle. If you agree, please sign and a copy will be emailed to you.

Thank you,

Jessica Patton
