Re: RE 42—Annualized Billing Cycle Exception

PacifiCorp, d/b/a Pacific Power provides notice to the Public Utility Commission of Oregon (Commission), that subject to OAR 860-039-0055(2), the company and the net metering customer addressed in the attached letter have agreed to a new 12-month annualized billing period. OAR 860-039-0055(2) requires that the annual billing cycle for net metering customers end at the end of the March billing month each year, unless the utility and net metering customer agree to a different annual billing cycle. This section also requires the utility to notify the Commission within 30 days of a utility and a net metering customer reaching an agreement for a different annualized billing cycle.

PacifiCorp and the customer addressed in the attached letter reached agreement for a new annualized billing cycle on April 14, 2021. The new annualized billing cycle for this customer will end with the March billing period of each year.

Confidential information is provided subject to OAR 860-001-0070.

Please direct any questions regarding this notification to Jennifer Angell, Regulatory Project Manager, at (503) 331-4414.

Sincerely,

Shelley McCoy

Dear [Redacted]

Pacific Power received your request for an alternative 12 month annualized billing period for your net metering facility. Instead of your annualized billing cycle ending in May of each year, your alternative annualized billing cycle will end in March of each year.

This mutual agreement to reset your annualized billing period modifies any existing agreement in reference to the annualize billing period. All other provisions remain in full effect.

Your signature on this letter will confirm your agreement for the alternative annualized billing cycle. If you agree, please sign and return to me at your earliest convenience.

Thank you,

Jarrod Martin
