Dear [REDACTED]

Pacific Power received your request for an alternative 12-month annualized billing period for your net metering facility. Instead of your annualized billing cycle ending March 31 of each year, your alternative annualized billing cycle will end at the end of each November billing month each year.

This mutual agreement to reset your annualized billing period modifies any existing agreement in reference to the annualize billing period. All other provisions remain in full effect.

Your signature on this letter will confirm your agreement for the alternative annualized billing cycle. If you agree, please sign and return a copy to me via email and keep a copy for yourself.

Thank you,

*Jessica Patton*
