RE: Oregon Generator Interconnection Activities Report

Dear Commission Staff:

Please find attached Idaho Power Company's annual report summarizing Idaho Power's interconnection activities for 2012. Filed in accordance with OAR 860-082-0065(3) and Order No. 10-132, this report includes a summary of all small and large generation applications and completions for the year. As the report indicates, in 2012, Idaho Power received eight small generator project applications and no large generator project applications. As of the date of this filing, none of the small projects have advanced to a generation interconnection agreement and been placed into service.

Sincerely,

Lisa D. Nordstrom
Lead Counsel
