RULING

DISPOSITION: MOTION TO MODIFY PROCEDURAL SCHEDULE GRANTED

On July 3, 2014, I granted a motion to extend the deadline for filing responses to PacifiCorp's June 23, 2014 request for ruling certification. I extended the deadline to July 21, 2014, to give parties the opportunity to continue discussions regarding the issues raised in PacifiCorp's filing.

On the afternoon of July 21, 2014, OneEnergy, Inc. filed an unopposed motion to extend the date for responses to PacifiCorp's request for certification to July 28, 2014. OneEnergy states that the parties are evaluating a framework for resolution prepared by Staff, in an effort to find a mutually agreeable resolution of the issues raised in PacifiCorp's certification request.

I grant OneEnergy's motion. However, in the future parties should take care not to file motions requesting a schedule change on the afternoon that filings are due. If a motion must be filed the same day a filing is due, it should be filed as early in the day as possible, and should request expedited consideration.

Parties filing a response to PacifiCorp's request for ruling certification must file their response on or before July 28, 2014.

Dated this 22nd day of July, 2014, at Salem, Oregon.
