c: UM 1610 Service List

1 agreements, however. The parties need additional time to finalize the agreements and also, to
2 discuss the possibility of resolving additional issues. The delay in finalizing the agreements to
3 date is largely due to schedule conflicts due to the recent holidays rather than difficulty in
4 finalizing the terms of the agreement.

5 The settling parties plan to meet during the first week of February 2015 to finalize the
6 written agreements, to determine whether any other issues can be settled, and to discuss what
7 modifications to the original procedural schedule might be necessary.² The settling parties plan
8 to file stipulations no later than the date the Issues List submissions are due. A five-week delay
9 in the due date for the Issues List submissions (from January 12 to February 17) and for
10 responses (from January 20 to February 24), will allow the parties opportunity to meet in person
11 at least once and will allow opportunity to finalize the agreements before the Issues Lists
12 submissions are due.

13 Finally, Staff asks that the ALJs keep the currently scheduled date for hearing, June 24,
14 2015, as a tentative hearing date. The settling parties intend to see whether any modifications to
15 the procedural schedule that may be necessary will still allow a hearing on June 24, 2015.

16 CONCLUSION

17 Staff asks that the ALJs issue an order extending the due date for Issues List submissions
18 from January 12 to February 17 and the due date for responses from January 20 to February 24,

25 ² These parties cannot meet until the first week of February because of scheduling
26 conflicts.

1 and suspending the remainder of the procedural schedule but leaving the June 24, 2015 hearing
2 date as the tentative date for a hearing.

3 DATED this 12th day of January 2015.
