**Re: Docket No. CP 1540
Notification of ANPI Business, LLC Regarding the Planned Discontinuance of
Residential Long Distance Services**

Dear Sir or Madam:

On behalf of ANPI-Business, LLC ("ANPI-Biz" or the "Company"), this Notification is being provided pursuant to OAR 860-032-0020(5) in connection with the planned discontinuance of residential long distance services, including but not limited to 1+, MTS, and toll free services. Concurrently with this Notification, the Company is filing a Petition to Waive the Notification Time Periods of OAR 860-032-0020(11) (the "Petition to Waive").¹

ANPI-Biz provides the following information required by OAR 860-032-0020(5):

(5)(a) Name of Exiting Provider:

The exiting provider is ANPI Business, LLC, a Delaware limited liability company. ANPI-Biz provides wholesale and retail interexchange service throughout the U.S., and is authorized to provide competitive local exchange service in a limited number of states. In Oregon, ANPI-BIZ is a competitive provider of intraexchange (local exchange) and interexchange switched and non-switched, private line services pursuant to Order No. 12-434 issued in CP 1540.² ANPI-Biz is also authorized by the FCC to provide interstate and international telecommunications services.

¹ A service copy of the *Section 63.71 Application of ANPI Business, LLC* as filed with the FCC was placed in Commission Docket No. RT 2 on March 21, 2017.

² The authorization was granted to Zone Telecom, LLC, which changed its name to ANPI Business, LLC in 2012.

ANPI Business, LLC
2300 Berkshire Lane North, Suite 4
Minneapolis, MN 55441

(5)(c) Description of telecommunications services to be abandoned:

ANPI-Biz intends to discontinue all residential long distance services, including but not limited to 1+, MTS and Toll Free services. Since some small businesses may receive the affected residential long distance product, the discontinuance may also affect certain small businesses customers. ANPI-Biz will continue to provide other interexchange and local exchange services to other non-residential customers. Therefore, the Company does not seek to cancel its authority granted in CP 1540.

(5)(d) Identification of geographic areas where the services will be abandoned:

ANPI-Biz intends to discontinue all residential long distance services throughout the state of Oregon.

(5)(e) Date the service(s) will be abandoned:

ANPI-Biz plans to discontinue providing residential long distance services as of June 1, 2017, or as soon thereafter as any regulatory approvals can be obtained. The Company's largest underlying provider, Sprint Communications Company L.P. ("Sprint"), has notified ANPI-Biz that the services that the Company uses to provide long distance services to certain of the ANPI-Biz's customers will not be available beyond June 2017. Therefore, it is critical that the Petition to Waive be approved to

allow the Company to discontinue residential long distance services as of June 1, 2017.

(5)(f) If applicable, a statement whether customers of the services(s) to be abandoned will be converted to different service(s) offered by the exiting provider, and if so, what customers must do to be converted to the different service(s):

Not applicable. The Company does not offer other residential services that would be a substitute for the services being discontinued.

(5)(g) If applicable, a statement that all customers will be automatically transferred to a specified receiving provider unless they disconnect or obtain service from another provider. The exiting provider must identify the receiving provider to which customers will be transferred:

Not applicable. The Company has no plans to automatically transfer customers to a specified receiving provider.

(5)(h) If the exiting provider intends to transfer customers to a specified receiving competitive provider and the receiving competitive provider will not accept all customers, a statement that customers may or will lose their service unless they obtain services from a provider of their choice. The exiting provider must provide reasonable means for each customer to determine whether he or she will be accepted by the receiving competitive provider;

Not applicable. Customers will not be automatically transferred to a specified receiving provider.

(5)(i) If applicable, a statement that service will be abandoned and that customers must obtain the service(s) to be abandoned from another provider;

As stated in the Petition to Waive and above, ANPI-Biz will discontinue all residential long distance services. Affected customers must obtain long distance services from another provider.

(5)(j) An explanation of how customers may receive a refund of payments or deposits for service they will not receive because of the abandonment; and

The Company has not collected deposits from any affected customers. Any monthly recurring charges will be prorated for the last month of service based on when the affected customer notifies the Company that the customer has selected another provider. That prorated portion of the monthly recurring charges will appear as a credit on the customer's "final invoice" and refunded as needed. Usage charges are billed in arrears.

(5)(k) An electronic document containing the notice in a format suitable for posting on the Commission website. The Commission will post such notification within two business days of receipt from the exiting carrier.

This Notification is being filed electronically with the Commission. In addition, a copy of the customer notice will be sent separately in PDF format for posting on the Commission's website. A copy of the customer notice sent by first class mail on March 17, 2017, is also provided as an attachment to this Notification.

You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the §63.71 Application of ANPI Business LLC.
