Re: LC 56 – Portland General Electric Company’s 2013 Integrated Resource Plan

Attention Filing Center:

Enclosed for filing in the above-referenced docket are an original and one copy of a **Notice of Filing Portland General Electric Company’s Responses to Data Requests**. PGE also includes the following Appendices:

- Appendix 1 – List of all Data Requests received as of June 1, 2014; and
- Appendix 2 - PGE’s Responses to all Data Requests received as of June 1, 2014.

The attachments to PGE’s responses are voluminous and, therefore, being provided in electronic format (CD), under separate cover by U.S. Mail. The confidential attachments are subject to Protective Order No. 13-053 and are being provided on a separate CD marked “Confidential.”

This filing is being made by electronic mail with the Filing Center and simultaneously served upon the Service List for LC 56.

Thank you in advance for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "V. Denise Saunders", is written over a horizontal line. The signature is fluid and cursive.
