FOR RECONSIDERATION OR REHEARING**

I. Introduction

Pursuant to ORS § 756.561 and OAR 860-001-0720, the COMPETE Coalition (“COMPETE”) hereby respectfully responds to the Motion For Clarification, Or In The Alternative, Application For Reconsideration Or Rehearing (“Motion”) of Order No. 15-060 (“the Order”) by Noble Americas Energy Solutions LLC, Wal-Mart Stores, Inc., Shell Energy North America (US), LP, Constellation NewEnergy, Inc., Fred Meyer Stores, Inc./Kroger, Co., the Northwest and Intermountain Power Producers Coalition, and Safeway Inc. (collectively referred to as “the Joint Parties”).

II. Response in Support of the Joint Parties’ Motion

The Joint Parties have identified ambiguities in the Order with respect to material issues regarding how the Consumer Opt-Out Charge will be calculated and whether the calculation will lead to fair, just and reasonable rates for participating direct access customers. The level of the Consumer Op-Out Charge will directly affect customers’ decision on whether to participate in

PacificCorp's direct access program. Accordingly, COMPETE supports the Joint Parties' Motion.

DATED this 24th day of April, 2015.

Counsel to COMPETE
