Re: Proposed changes to water and wastewater service rates filed with the PUC.

The purpose of this announcement is to provide customers with general information regarding the utility's proposed tariffs, and the effect the filing may have on customers.

The current average monthly rates are \$35.80 for water, and \$29.30 for sewer, for a total of \$65.10.

Clearwater Source LLC is seeking the above increase changes in rates through the PUC due to increased operating expenses. . These increases include storm water charges the city of Salem have imposed on all impervious areas.
