

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 58

In the Matter of
IDAHO POWER COMPANY,
2013 Integrated Resource Plan

RULING

DISPOSITION: MOTION TO MODIFY PROCEDURAL SCHEDULE GRANTED

By motion filed September 11, 2013, the Staff of the Public Utility Commission of Oregon requests that the public meeting/technical workshop now scheduled for September 26, 2013, be postponed to December 2, 2103.

Staff asks for the delay to allow intervenors and Staff additional opportunity to review and analyze Idaho Power Company's Integrated Resource Plan (IRP). Staff asks to move the meeting until after intervenors and staff have filed comments and Idaho Power has filed reply comments that should identify and clarify issues for discussion at the workshop.

Staff states that it asked the other parties whether they would oppose the motion and received no objection.

For good cause shown, the motion is granted. The public meeting/technical workshop is postponed until December 2, 2013.

Dated this 12th day of September, 2013, at Salem, Oregon.
