The Oregon Department of Energy (“ODOE”) requests that the Administrative Law Judge (“ALJ”) accept ODOE’s late-filed comments in this matter. Pursuant to the ALJ’s Ruling dated November 14, 2017, intervenor comments in this matter were due yesterday, November 16, 2017. Due to an unforeseen delay in necessary staff review of the comments, ODOE was unable to file its comments yesterday. ODOE does not believe that a single day’s delay in filing its comments will create hardship or prejudice for any party to this proceeding.

ODOE has emailed the parties seeking agreement on this motion, but to avoid further delay in filing its comments has not waited to receive responses from the parties. Should any party respond with an objection, ODOE will inform the ALJ.

DATED this 17th day of November, 2017.

Respectfully submitted,

ELLEN F. ROSENBLUM
Attorney General
