Re: UM 1673 – In the Matter of Public Utility Commission of Oregon, Report to the
Legislature on Effectiveness of Incentive Programs for Solar Photovoltaic Energy

Dear Filing Center:

An original and one copy of the following of the following documents have already been
sent to the Filing Center by U.S. Postal Service:

Oregonians for Renewable Energy Progress's:

- Petition to Intervene
- Application for Case Certification
- Notice of Intent to Request Issue Fund Grant
- Proposed Budget for an Issue Fund Grant
- Certificate of Service

Attached to this cover letter please find OREP's Petition to Intervene and a Certificate of
Service. Per staff instructions, OREP's Application for Case Certification, Notice of
Intent to Request Issue Fund Grant and Proposed Budget will each be electronically filed
separately, without accompanying cover letters or certificates of service. All documents
were sent to the UM 1673 Service List on December 9, 2013.

Thank you.

Very truly yours,

Mark Pengilly

Please include this contact information on the service list. OREP waives paper service.

3. If petitioner is an organization, the number of members and the purposes of the organization:

Oregonians for Renewable Energy Progress is an Oregon nonprofit organization of approximately 900 members. OREP seeks to promote environmentally responsible, locally owned, distributed renewable resources in Oregon and represents renewable energy customer-generators that participate in the Solar Pilot and RETC programs, as well as other diverse renewable energy interest groups.

4. The nature and extent of the petitioner's interest in the proceeding:

OREP has been actively involved in AR 538 and UM 1452, as well as the HB 2893 legislative work group that gave rise to this docket. OREP has been a leading advocate for rate-based renewable energy compensation solutions and has engaged in extensive research and communications with renewable energy policy experts in other jurisdictions and nations.

5. The issues petitioner intends to raise in the proceeding are:

OREP intends to comment on the content and scope of the report to the legislature and will raise issues appropriate to both.

6. The special knowledge or expertise of the petitioner that would assist the Commission in resolving issues in this docket:

OREP staff is involved in distributed renewable energy policy issues, with considerable experience in solar value and resource value.

7. Based on the information provided above in accordance with the Commission's rules of procedure, OREP requests to participate in this proceeding as an intervenor. I, or the organization I represent, will not unreasonably broaden the issues, burden the record or unreasonably delay the proceedings.

DATED this 9nd day of December 2013.
