

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UM 1683

In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

2015-2019 Renewable Portfolio Standard  
Implementation Plan

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

On May 9, 2014, Portland General Electric Company filed an expedited motion to suspend the schedule in this docket. PGE states that settlement discussions between the parties (Staff, the Citizens' Utility Board of Oregon, the Industrial Customers of Northwest Utilities, the Oregon Department of Energy, and Renewable Northwest) have resulted in an agreement in principle resolving all issues in this docket.

PGE requests the procedural schedule be suspended to allow the parties time to complete drafting a stipulation. PGE notes that the parties support its motion, and adds that under the current schedule Staff's and intervenors' comments are due today.

The motion is granted. The parties shall file a stipulation and supporting documents or a status report on or before June 9, 2014. In the future, I ask parties seeking an expedited ruling to suspend or modify a schedule not to wait until 3:36 p.m. on the day of a filing requirement to make the request.

Dated this 9<sup>th</sup> day of May, 2014, at Salem, Oregon.
