- A. Yes SEE ATTACHED
 No

56 Q. DOES THIS CONCLUDE YOUR TESTIMONY?

- A. Yes
 No

The entire cost of the installation and equipment will be at the expense of the customer. Any corrective measure, disconnection, or change on the customer's property shall be at the sole expense of the person in control of said property.

The Utility shall regulate the location, installation and testing of all devices. The Utility will inspect the installation prior to providing water service. The annual testing of the device shall be by licensed personnel. All devices in service must be tested annually. The Utility will determine the frequency of testing based upon based upon the severity of the hazard.

Customer failure to install, maintain and test the device(s) as required are grounds for disconnection of water service to that customers' premise(s).

Rule 45: Partial Payment

Partial payments or one payment for more than one service, absent written instructions from the customer, will be applied in the following order:

- (a) Past due regulated tariffed charges;
- (b) Currently due regulated tariffed charges;
- (c) Non-regulated tariffed services;
- (d) Non-tariffed services.
