SUBJECT: CenturyTel of Oregon, Inc., Advice No. 14-006, Eliminates an incorrect rate and duplicate language on Sheet 12.1 for the Packaged Service Simple Choice Unlimited.

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing went into effect July 11, 2014, and was received on July 9, 2014. The purpose of this filing is to remove an incorrect rate which the company inadvertently failed to remove upon its filing of Advice No. 13-008.

As a result of discussions between staff and the company regarding its Advice No. 14-004, it was discovered that the company's Revised Sheet 12.1 included a price of \$49.95 for the Simple Choice Unlimited package which should have been removed when the company filed Advice No. 13-008. At that time, the Simple Choice Unlimited bundle should have been moved to Sheet 12 with a price of \$27.95 and the \$49.95 price should have been removed from Sheet 12.1. Instead, the \$27.95 and \$49.95 prices for the Simple Choice Unlimited package have both remained, on Sheets 12 and 12.1, respectively. The present filing will remove the Simple Choice Unlimited bundle along with the \$49.95 price from Sheet 12.1, leaving only the correct price of \$27.95 on Sheet 12.

Since no customers were charged the \$49.95 price during the time that this price incorrectly remained on the company's Price List, no customers were harmed as a result of this error. Additionally, this filing will have a no effect on annual revenues.
