**Re: OPUC Order No. 14-304: Docket No. UF 4289, Report of Securities Issued and Disposition of Net Proceeds**

**ERRATA FILING – DO NOT REDOCKET**

On January 4, 2017, Northwest Natural Gas Company (the “Company”) transmitted for filing to the Oregon Public Utility Commission (the “Commission”), among other documents, an Initial Report of Securities Issued and Disposition of Net Proceeds complying with OPUC Order No. 14-304 in connection with the issuance of its Series B Secured Medium Term Notes (“Report of Securities Issued”). NW Natural herein files a correction to the Report of Securities Issued in the above-referenced docket. While the total amounts reported in the original Report of Securities Issued were correct, there were minor inaccuracies in some of the expense line items due to administrative error.

If you have any questions, or if you require additional information in support of this Report of Securities Issued, please give me a call at 503-220-2435 or email at smf@nwnatural.com.

Very truly yours,

Shawn M. Filippi
