RE: AR 583 – Rulemaking to Streamline eFiling and Other Housekeeping Changes  
Idaho Power Company's Comments

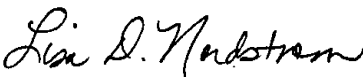

Dear Filing Center:

Idaho Power Company ("Idaho Power" or "Company") appreciates the opportunity to comment on the proposed revisions to the Public Utility Commission of Oregon's Administrative Rules relating to AR 583, eFiling and Other Housekeeping Changes. Idaho Power agrees with the concerns expressed in the comments of NW Natural regarding the filing of confidential documents in OAR 860-001-0170(f) and (g). The Company likewise believes the proposed revisions to OAR 860-021-0015, Dispute Resolution, should be further explored in a separate docket.

Idaho Power continues to evaluate the proposed changes and may file more comprehensive comments on or before the comment deadline of November 21, 2014.

If you have any questions about these comments, please contact me at 208-388-5825 or Zach Harris at (208) 388-2305.

Very truly yours,

Lisa D. Nordstrom
