OF OREGON**

UE 293

In the Matter of

IDAHO POWER COMPANY,

2015 Annual Power Cost Update.

RULING

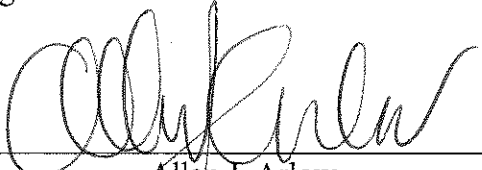

**DISPOSITION:      REQUEST GRANTED; SCHEDULE AMENDED**

On January 28, 2015, the Staff of the Public Utility Commission of Oregon (Staff) filed a Joint Notice to Administrative Law Judge Concerning Schedule on behalf of all of the parties. In the filing, Staff represents that Staff and the Citizens' Utility Board of Oregon (CUB) have agreed to waive their rights to file opening testimony and that all parties waive the right to file reply/cross answering testimony because "Staff and CUB have no issues to discuss in relation to the Company's October Update for the 2015 Annual Power Cost Update." Staff also notes the parties do not intend to convene a second settlement conference, but that all other dates on the schedule should remain in place.

The parties' request is granted. The schedule for the remainder of this proceeding is now as follows:
