Hi Joan,

I reviewed the tariff sheets. They are consistent with the letters we sent to the Company regarding schedules 461 & 462 (letter 1), schedule 476 (letter 2), schedule 478 (letter 3), and Schedule 497 (letter 4).

Please go ahead and draft an umbrella letter saying the this is consistent with the tariff sheets we accepted in letters 1 thorough 4 (if possible please attach the letters).

Thanks!

Jorge
