Response to Paragraph 10e:

My contracting/consulting services are provided solely to and on behalf of the Natural Resources Defense Council (NRDC), and address electric and gas utility energy and carbon resource planning, efficiency and emissions practices. I have performed in this capacity for NRDC since 2010. In addition I am the founding President of the Bonneville Environmental Foundation and have held this position for fifteen years. I am now in parttime status at BEF, with responsibilities that include strategic planning, carbon offset acquisition and delivery, renewable resource development, watershed restoration, and transportation energy and carbon efficiency practices.
