Expands the initial line offering for STAR Business Bundles.

I have reviewed this filing and recommend that an acknowledgement letter be sent. The filing will go into effect on December 19, 2014. It was filed on December 15, 2014. The filing proposes to expand the initial line offering for STAR Business Bundles from 1-3 lines to 1-7 lines. The filing also enables customers to add additional lines beyond this range as necessary.

The STAR Business Bundles are optional offerings that package services and features together for a flat monthly rate that is applicable to each STAR Business Bundle subscriber line provided. With this filing, the STAR Business Bundles will be available to business customers with between one and seven lines. There are two STAR Business Bundle Options: STAR Business Bundle and STAR Business Bundle Unlimited.

The STAR Business Bundle includes the following services: Business One-Party Line, three features chosen from the following list: Caller ID Deluxe, Call Forwarding, Call Forward Remote Access, Call Waiting/Cancel Call Waiting, 3-Way Calling, or Voice Mail, and 200 Minutes of TDS Long Distance calling. The monthly rate for STAR Business Bundle is \$39.99.

The STAR Business Bundle Unlimited includes a Business One Party Line, Unlimited TDS Long Distance calling, and three features chosen from the following list: Caller ID Deluxe, Call Forwarding, Call Forward Remote Access, Call Waiting/Cancel Call Waiting, 3-Way Calling, or Voice Mail. The monthly rate for STAR Business Bundle Unlimited is \$59.99.

Customers must also subscribe to TDS Telecom's high speed data to be eligible for these bundles. Any toll charges are in addition to the monthly bundle rate. The \$10.00 nonrecurring service installation charges do not apply to this service unless a customer requests a subsequent change to their STAR Business Bundle.
