General Protective Order
Docket No. UE 294

Paragraph 10(e) information:

GDS Associates, Inc. (“GDS”) is an engineering and consulting firm that has been retained by Davison Van Cleave, P.C. to provide expertise related to cost allocation, revenue spread, and rate design issues on behalf of the Industrial Customers of Northwest Utilities (“ICNU”). GDS has previously represented ICNU and the Citizens’ Utility Board of Oregon in rate proceedings before the Public Utility Commission of Oregon. In general, GDS provides engineering and consulting services throughout the United States related to utility rates and regulatory issues, energy supply planning and procurement, energy efficiency, transmission and distribution engineering, and other utility related services on behalf of regulatory agencies, customers of investor-owned utilities, municipalities, publically-owned utilities, law firms, and other entities.
