5. PROMOTIONS

Business Unlimited NRC Waiver and 1/2/3 Month Free Offer

During the period October 4, 2014 through April 1, 2015, new business customers who subscribe to Unlimited Business Assist Advantage Plan may be eligible for a waiver of the nonrecurring charges otherwise applicable for installation of that service and a credit(s) of the monthly recurring charges. To be eligible, customers who are contacted by the Company or who contact the Company and request this promotion must not have had service disconnected with the Company for non-payment in the past, must not have any past due bills for services owed to the Company, and must have a satisfactory credit rating.

Nonrecurring charges otherwise applicable for installation of a new service will be waived when eligible customers subscribe to Unlimited Business Assist Advantage Plan under a one, two or three year term commitment. Additionally, customers subscribing under a one-year term will receive a credit for their first month's charge. Customers subscribing under a two-year term will receive a credit for the monthly recurring charge on their first and second months' invoices, and three-year term customers will receive a credit for the monthly charges on their first, second and third months' invoices. The initial bill credit will be reflected on the customer's first invoice issued following installation of the service. Credit amounts will not be applied for taxes and surcharges or for other services to which the customer subscribes.

If a customer discontinues service prior to the end of required service period, credits issued under this promotion will be rescinded. This promotion does not apply to moves, changes, or additions to an existing customer's service and may not be combined with any other promotion.

Pure Bundle \$5 for 12 or 24

During the period February 6, 2015 through August 4, 2015, new and existing residence customers who are contacted by the Company or who contact the Company and request this promotion and subscribe to the Company's Pure Bundle package and the Company's non-regulated High-Speed Internet may be eligible for a \$5 bill credit for 12 or 24 months.

To be eligible, the customer must agree to subscribe to the Company's Pure Bundle and the Company's non-regulated High-Speed Internet for either a 12 or 24 month term commitment. The customer must also agree to subscribe to one of the following qualifying services for either a 12 or 24 month term commitment: 1) a Company affiliated Verizon Wireless calling plan; 2) a Company affiliated DIRECTV programming package; 3) the Company's non-regulated PRISM video service; and/or 4) the Company's non-regulated home security Smart Home protection plan.

The initial bill credit will be reflected on the customer's first or second invoice following the customer's acceptance of this offer and will continue for the remainder of the term commitment thereafter. If a customer discontinues Pure Bundle, the Company's High Speed Internet, or any of the four qualifying optional services prior to the end of the 12 or 24 month period, no additional credits will be applied.

In no event will the application of this discount be used in conjunction with any other credits to take the customer's billed amount below zero.
