RE: Advice 15-05

On February 20, 2015, Portland General Electric filed revised sheets for inclusion in its tariff, PUC OR No. E-18.

This filing requests a change to the Company's tariff language to make luminaires on streetlight poles owned by third parties eligible to receive Option C lighting service.

In accordance with a decision of the Commission in the Public Meeting of March 24, 2015, the sheets will become effective with service rendered on and after March 25, 2015.

One receipted copy of each sheet is returned for your files.
