**RE: Avista Advice No. 15-01-G (Schedule 495, Capital Project Credit – Oregon) –
REQUEST TO WITHDRAW TARIFF FILING**

On February 20, 2015, Avista Corporation, dba Avista Utilities, filed with the Commission proposed tariff sheet Schedule 495. This schedule was designed to credit back to customers an annualized amount of \$299,095 effective March 1, 2015 coincident with the effective date of the settlement rates in filed Settlement Stipulation in Docket No. UG-284. The credit was directly related to the components of the Settlement Stipulation and was proposed to be effective only if the Settlement Stipulation in that docket was approved.

On February 23, 2015, the Commission issued Order No. 15-054 which rejected the Settlement Stipulation. As a result of the rejection of the Settlement Stipulation, the Company requests permission to withdraw this tariff filing.

Please direct any questions related to the transmission of this filing to Patrick Ehrbar at 509.495.8620 or via email at pat.ehrbar@avistacorp.com.
