Re: *In the Matter of Sunriver Water Company LLC Request for Approval of an Affiliated Interest Agreement with Sunriver Environment, LLC*  
OPUC Docket No. UI 355

Dear Sir or Madam:

On March 26, 2015, our office filed a petition to intervene on behalf of our client, The Sunriver Owners Association ("SROA"), in the above-matter. The deadline for Sunriver Water LLC ("Company") to object to the petition has expired, and the Company has not objected to SROA's petition. The Commission also has not ruled on the petition, which remains pending.

This week, the Commission staff and legal counsel informed SROA that the Commission is not treating this matter as a contested case proceeding. Nonetheless, SROA respectfully requests that the Commission issue an order on its petition. If the Commission denies the petition, SROA asks that the Commission provide its reasoning for doing so, particularly in light of the fact that the Commission has allowed intervention in similar affiliated interest proceedings. *See In the Matter of Seventh Mountain Golf Village Water Company*, OPUC Docket No. UI 246, Order No. 06-017 (referring to "intervener Robert J. Selder").

SROA would appreciate prompt attention to this matter, because it understands that the Commission staff is scheduling a public meeting on May 19, 2015. Further, Commission staff has advised SROA that if it intends to provide any written comments regarding the Company's application, SROA should do so as soon as possible because Commission staff is preparing its recommendation memorandum for the Commission. If SROA is not allowed to intervene, it intends to prepare and submit written comments by the middle of next week.

Respectfully yours,
