Re: OPUC Docket UM 1719 - Status Report
Investigation of Renewable Generator's Contribution to Capacity

Dear ALJ Rowe:

Staff of the Public Utility Commission (Staff) submits the following Status Report. Staff is authorized to state that all active parties either support the content of this Report or do not object to it.

Staff is pleased to report that, with one exception, all active parties have been able to reach agreement on all issues. Staff is now circulating the settlement documents for the parties review. The one party who does not desire to sign the Stipulation has stated it will not object to it.

Staff expects to be able to file the executed Stipulation, accompanied by Joint Supporting Testimony, no later than April 29, 2016.

Sincerely,

A handwritten signature in blue ink that reads "Mike" followed by a stylized flourish.
