RE: B-R Pipeline Company, Docket No. RP15_____
Order No. 801 Compliance Filing

Dear Ms. Bose:

Pursuant to the Federal Energy Regulatory Commission's ("FERC" or "Commission") Final Rule regarding Natural Gas Act Pipeline Maps,¹ B-R Pipeline Company ("B-R") hereby submits revised tariff records to remove the pipeline system map from its tariff and to include a uniform resource locator ("URL") in its tariff to provide access to the map posted on B-R website. The following tariff records are submitted for inclusion in B-R's FERC Gas Tariff, First Revised Volume No. 1:

First Revised Sheet No. 1, 2.0.0.
Second Revised Sheet No. 2, 3.0.0.
First Revised Sheet No. 3, 2.0.0.

B-R proposes that the revised tariff records submitted herewith be permitted to become effective as of April 24, 2015.

I. Statement of Nature, Reasons and Basis

The purpose of this filing is to comply with Order No. 801's ruling which replaces the requirement that natural gas pipelines include a system map in their tariffs and instead requires pipelines to include in their tariffs "a uniform resource locator on the pipeline's Internet website, at which the general public may display and download system map(s)."²

¹ *Natural Gas Act Pipeline Maps*, Order No. 801, FERC Stats. & Regs. ¶ 31,360, 149 FERC ¶ 61,133 (2014).

² *Id.* at P 6.

II. Material Submitted

B-R provides the following materials for filing:

- The proposed tariff records in RTF format with metadata attached;
- A clean copy of the tariff records in PDF format for publishing in eLibrary; and
- A marked copy showing the tariff revisions in PDF format for publishing in eLibrary.

III. Compliance

B-R submits the following tariff records to comply with Order No. 801: First Revised Sheet No. 1 indicates the location of the URL address in the tariff's Table of Contents; Second Revised Sheet No. 2 reflects deletion of a cross-reference to the map in the tariff; and Second Revised Sheet No. 3 reflects the removal of B-R's system map from its tariff and indicates the URL address where B-R's map can be accessed.

V. Effective Date

Pursuant to section 154.7(a)(9) of the Commission's regulations, 18 C.F.R. § 154.7(a)(9), B-R respectfully requests that the Commission accept the revised tariff records submitted herewith to become effective as of April 24, 2015.

VI. Communications

B-R requests that communications concerning this filing should be addressed as follows, and the following should be included on the official service list in this proceeding:

Paul F. Forshay
Meghan R. Gruebner
Sutherland Asbill & Brennan LLP

VII. Service

In accordance with the provisions of section 154.2(d) of the Commission's regulations, 18 C.F.R. § 154.2(d), copies of this filing are available for public inspection during regular business hours in a convenient form and place at the offices of B-R at 550 West Adams Street, Chicago, Illinois 60661-3676. Complete copies of this filing are being mailed to B-R's customer and to interested state commissions.

Please contact Paul Forshay at (202) 383-0100 with any questions.

Respectfully submitted,

/s/ Paul F. Forshay

PRELIMINARY STATEMENT RELATED
TO FERC NGA GAS TARIFF, FIRST REVISED VOLUME NO. 1
CONTAINING TRANSPORTATION RATE SCHEDULES

B-R Pipeline Company (“B-R” or “Transporter”) is a “natural gas company” as defined by the Natural Gas Act and “an interstate pipeline” as defined by the Natural Gas Policy Act of 1978. As such, B-R is subject to the jurisdiction of the Federal Energy Regulatory Commission. B-R is engaged in the transportation in interstate commerce, of natural gas for Shippers, pursuant to the regulations of the Federal Energy Regulatory Commission.

B-R owns a percentage of a pipeline system extending from a point near Kelso, Washington to a terminus point near Port Westward, Oregon (the Pipeline”). The Kelso-Beaver Pipeline is owned 10.5% by B-R, 79.5% by Portland General Electric Company, and 10% by K B Pipeline Company as tenants-in-common. The pipeline ownership, construction and operation are subject to the “Agreement for the Ownership, Construction and Operation of the Kelso-Beaver Pipeline” dated March 14, 1991 (as supplemented by the “Partial Assignment, Adoption and Ratification Agreement” dated August 31, 2000). The services provided under this Tariff are provided by B-R within its capacity pursuant to its percentage ownership of the Kelso-Beaver Pipeline.

This Tariff contains transportation rate schedules available for Shippers with whom B-R contracts through executed Service Agreements for the transportation of natural gas. It is the policy of B-R to undertake the transportation of gas only pursuant to written contracts with eligible customers upon the terms and conditions set forth in this Tariff, executed on a non-discriminatory basis after consideration of B-R’s existing commitments, delivery capacity, points of delivery and other relevant factors.
