RE: *PacifiCorp*
Docket No. ER21-_____-000
Notice of Termination

Dear Secretary Bose:

Pursuant to Section 35.15 of the regulations of the Federal Energy Regulatory Commission (“Commission”), 18 C.F.R. § 35.15, and Order No. 714¹ regarding electronic filing of tariff submittals, PacifiCorp hereby tenders for filing a notice of termination (“Notice of Termination”) of PacifiCorp Third Revised Service Agreement No. 876, a Network Integration Transmission Service Agreement (“NITSA”) between PacifiCorp and 3 Phases Renewables, Inc. (“3 Phases”). The NITSA was entered into pursuant to PacifiCorp’s Volume No. 11 Open Access Transmission Tariff (“OATT”). PacifiCorp respectfully requests an effective date for the termination of the NITSA of December 31, 2020, for the reasons described below.

1. Background and Reason for Termination

On December 30, 2019, PacifiCorp and 3 Phases executed the NITSA which describes the services provided to 3 Phases pursuant to Attachment M of PacifiCorp’s OATT related to the Oregon Direct Access Program. On January 14, 2020, PacifiCorp filed the NITSA with the Commission, in Docket No. ER20-784. The Commission accepted the filing on February 28, 2020, via letter order effective January 1, 2020.² Section 4 of the NITSA states:

“Service under this Service Agreement shall commence on the later of (1) January 1, 2020, or (2) such other date as it is permitted to become effective by the Commission. Service shall continue unless terminated in accordance with the rules and regulations pertaining to Oregon Direct Access and the Tariff.”

On November 3, 2020, 3 Phases gave PacifiCorp notice that it is exiting the Oregon direct access market effective January 1, 2021. PacifiCorp has reviewed and accepted 3 Phases notice

to terminate. 3 Phases' current NITSA serves load through December 31, 2020. As such, PacifiCorp respectfully requests to terminate the NITSA effective December 31, 2020.

2. Effective Date

PacifiCorp respectfully requests waiver of the prior notice requirement in 18 C.F.R. § 35.15(a) to permit this Notice of Termination to become effective on December 31, 2020. Good cause exists to grant the requested waiver. As noted earlier, PacifiCorp was provided notice by 3 Phases on November 3, 2020. PacifiCorp filed this Notice of Termination soon thereafter. 3 Phases' will be exiting the Oregon direct access market effective January 1, 2021. Therefore, permitting this Notice of Termination to become effective December 31, 2020 will align with 3 Phases' exit. No other parties are impacted by this Notice of Termination.

To the extent that any filing requirement in Part 35 of the Commission's regulations is not satisfied by this filing and the materials enclosed herewith, PacifiCorp respectfully requests waiver of such requirements.

3. Notice

PacifiCorp has provided notice of this filing to 3 Phases.
