Re: Northwest Pipeline LLC
Report of Refunds
Docket No. RP22-1155-000, et al.

Dear Ms. Bose:

On August 26, 2022, Northwest Pipeline LLC (“Northwest”) filed, with the Federal Energy Regulatory Commission (“Commission”), a Stipulation and Settlement Agreement in the referenced docket (“2022 Stipulation and Settlement Agreement”). The 2022 Stipulation Settlement Agreement generally reduces Northwest’s FERC Gas Tariff (“Tariff”) rates, resolves other rate issues, establishes a Modernization and Emissions Reduction Program, and satisfies Northwest’s rate case comeback obligation under Northwest’s settlement in Docket No. RP17-346-000 (“2017 Settlement”).¹ On November 15, 2022, the Commission issued an order approving the 2022 Stipulation and Settlement Agreement.² The settlement rates became effective January 1, 2023.

Article VI, Section 6.5 of the 2022 Stipulation and Settlement Agreement provides that Northwest will issue refunds, with interest at the Commission’s interest rate, to satisfy Northwest’s requirement to return a regulatory liability recorded as a result of the corporate income tax rate reduction from 35% to 21% during the settlement term of the 2017 Settlement.³ The corporate federal income tax rate decreased from 35% to 21% effective January 1, 2018. Accordingly, Northwest will be issuing refunds on January 31, 2023.

Pursuant to the regulations of the Commissions, 18 C.F.R. Part 154 (“Regulations”), Northwest respectfully submits its report of refunds, as required by Section 154.501 of the Regulations, detailing the refunds made in accordance with Article VI of the 2022 Stipulation and Settlement Agreement.

¹ *Northwest Pipeline LLC*, 160 FERC ¶ 61,008 (2017).

² *Northwest Pipeline LLC*, 181 FERC ¶ 61,118 (2022).

³ See Article VI, Section 6.1 of 2017 Settlement.

Pursuant to Article VI of the 2022 Stipulation and Agreement, on January 31, 2023, Northwest submitted refunds to its Original Shippers⁴ for the amounts provided in Appendix G of the 2022 Stipulation and Settlement Agreement, with interest computed in accordance with Section 154.501(d) of the Regulations from the date of invoice payment to the date of refund payment. The refund covers the period January 1, 2018 to December 31, 2022.

Materials Submitted Herewith
