

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 297

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Renewable Resources Automatic
Adjustment Clause, Revises Schedule 122.

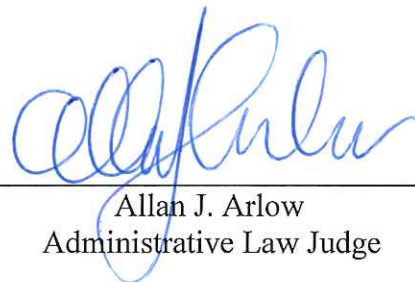

RULING

DISPOSITION: MOTION GRANTED; SCHEDULE SUSPENDED

On July 30, 2015, Portland General Electric Company filed a motion to suspend the procedural schedule and request for expedited consideration in this docket. In support of the motion, PGE states that it has participated in settlement discussions with the Commission Staff and the Citizens' Utility Board of Oregon, the only parties to the docket, and that they have reached agreement settling all issues in the docket. Expedited consideration is requested because the current schedule calls for the submission of Staff and Intervenor testimony today. PGE represents that Staff and CUB support the motion.

Good cause having been shown, the schedule for the docket is suspended. The parties shall file a settlement agreement or status report with the Commission no later than August 31, 2015.

Dated this 30th day of July, 2015 at Salem, Oregon.
