Cogent provides the following information in support of this Application:

I. SECTION 63.71(A)(1)-(4) INFORMATION

A. Name and Address of Carrier

D. Brief Description of Type of Service Affected

II. NOTIFICATION REQUIREMENTS

All affected customers have been notified of this planned discontinuance on several occasions, first in September 2022 and most recently by U.S. mail on August 31, 2023. RE: Important Account Notice Regarding Your SIP Trunking Service

Account Number: <insert account number>

Hello,

We reached out in September 2022 and March 2023 to let you know that on September 30, 2023, Cogent will retire the SIP Trunking services that you are currently purchasing, and that SIP Trunking services will be fully suspended nationwide on October 1, 2023.

We are following up to encourage you to complete the migration of your numbers prior to that deadline to avoid any unanticipated issues such as vendor readiness, access, testing, and port-out complications. To avoid a service disruption and to retain ownership of your current telephone numbers, toll-free numbers, and international toll-free service numbers, please transition to an alternate vendor solution as soon as possible.

We are here to support you and answer any questions you might have as you transition to an alternative vendor solution. We can be reached at 1-800-877-5045 or at cstnatickettsupport@cogentco.com.

We appreciate and thank you for your ongoing business.

Cogent Communications

This planned discontinuance of your SIP service is subject to regulatory approvals by the FCC. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. You may file your comments electronically through the FCC's Electronic Comment Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Cogent Communications Holdings, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.
