**Important Notice Regarding the Planned Discontinuance of  
Digital Home Phone, Simple VoIP and Business VoIP Service Provided  
by CenturyLink Communications, LLC, a Lumen Company**

We continually evaluate the products and services we offer to customers, and occasionally our evaluation results in changes.

As of **October 13, 2023**, or as soon after that date as authorized by the Federal Communications Commission and the state regulatory commission, if required, CenturyLink Communications, LLC will discontinue the following three phone services:

- 1) Digital Home Phone
- 2) Simple Voice over Internet Protocol (Simple VoIP)
- 3) Business Voice over Internet Protocol (Business VoIP or BVoIP)

These services are provided in the following states via systems that are being decommissioned:  
*Alabama, Arkansas, Arizona, Colorado, Florida, Iowa, Idaho, Indiana, Kansas, Kentucky, Michigan, Minnesota, Missouri, Mississippi, Montana, Nebraska, Nevada, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oregon, Pennsylvania, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, Washington, Wisconsin and Wyoming*

**Existing contracts for this service will NOT be renewed, and there will be no early termination penalties for the affected service.**

**YOUR NEXT STEPS TO BE COMPLETED ON OR BEFORE SEPTEMBER 1, 2023:**

- If you want to keep your existing phone number, you will need to check with other providers prior to September 1, 2023, to find out if your number is available on their network. Unfortunately, we're unable to transfer your current number to our new CenturyLink VoIP service. **We recommend contacting other providers right away to avoid interruption of your voice service.** You do not need to contact us if you move your phone service to another provider.
- If you're interested in subscribing to a different CenturyLink VoIP service and being assigned a new telephone number, contact us at 877-299-0211 no later than September 1, 2023, to determine eligibility. Please advise the agent of your existing DHP, Simple VoIP or BVoIP account. Note—we will not be able to use your existing phone number.
- If you do not want to continue phone service and do not want to make any changes to your CenturyLink internet service, you do not need to do anything further. Your phone service will be disconnected October 13, 2023, or soon after.

**Your other services from CenturyLink**

- If you subscribe to other services from CenturyLink, those services will NOT be impacted by the discontinuance of the services listed above.

**Your bill after Digital Home Phone, Simple VoIP or BVoIP service is discontinued.**

- When your Digital Home Phone, Simple VoIP or BVoIP service is discontinued, we will automatically apply any deposits or credits, if applicable, to your CenturyLink Communications, LLC bill.
- If the amount of the bill is less than any deposits and credits, we will issue a refund for the remaining balance.

We apologize for any inconvenience this change may cause. For more information, please scan the QR code or visit us at [www.centurylink.com/home/help/notices/voip-discontinue](http://www.centurylink.com/home/help/notices/voip-discontinue). You may also call us at 877-299-0211.

Thank you,

CenturyLink Communications, LLC

**The following statement is required by the Federal Communications Commission (FCC):**

The FCC will normally authorize this proposed discontinuance of service (or reduction or impairment) unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed reduction or impairment or service. You may file your comments electronically through the FCC's Electronic Filing System using the docket number established in the Commission's public notice for this proceeding, or you may address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of CenturyLink Communications, LLC. Comments should include specific information about the impact of this proposed or reduction or impairment of service upon you or your company, including any inability to acquire reasonable substitute service.
