The public convenience and necessity will not be impaired by this service discontinuance because calling card usage has been declining for several years. This is due to the market growth of other communication methods, including mobile phones,

**Brief Description of the Dates and Methods of Notice to All Affected Customers (47 C.F.R. § 63.71(b)(3)):**

AT&T sent notice to the majority of its residential customers that it has a direct billing relationship in their June 2016 bill.<sup>1</sup> On July 23, 2016, AT&T mailed its customer notice to the remaining residential customers.<sup>2</sup> AT&T sent notice to its business customers that it has a direct billing relationship with in their July 2016 bill.<sup>3</sup> AT&T also has customers using these services that it does not have a direct billing relationship with in Independent Telephone Company (ICO) territories.
