

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 1728

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Application to Update Schedule 201
Qualifying Facility Information.

RULING

DISPOSITION: DEADLINE EXTENDED

On March 8, 2024, Staff filed a letter requesting a modification to the deadline for Portland General Electric Company (PGE) to file its post-IRP PURPA avoided cost update.

In a February 20, 2024 ruling, I set that deadline at March 15, 2024. Staff requests that PGE be allowed to file its update on March 18, 2024, so that the rates can be effective on a timeline that allows the PUC flexibility to bring this matter to the Commission at the April 16, 2024 Regular Public Meeting instead of the April 2, 2024 Regular Public Meeting. Staff states this flexibility will allow the opportunity to take more than 12 business days to bring a recommendation to the Commission at a regular public meeting, if needed.

I find good cause to grant Staff's request. PGE must file rates consistent with OAR 860-029-0040(4)(a) no later than March 18, 2024.

Dated this 11th day of March 2024, at Salem, Oregon.
